

Homes Going Green in SE15

Interested in beginning a journey to help save cash and save the planet?

From February 2008 a unique project is being started by an environmentally active group of Peckham residents. The group are running a series of workshops open to anyone living in Southwark who wants to start making practical changes around the way they travel, shop, eat, dispose of waste and use energy in the home.

Get tips about:

- local car-sharing & lift schemes;
- applying for energy saving grants;
- savings on household goods such as nappies, toys and IT equipment;
- low cost organic food
- and much, much more.

The free monthly sessions will be held on Saturdays over refreshments in Peckham Library. After signing up for the programme, participants will get their own diary to record their progress, receive samples of green products, and receive one-to-one support in greening their lifestyle.

Venue: Peckham Library

Time: 2 - 4:30pm

Dates: Saturdays in 2008 - 23rd Feb • 29th Mar • 26th Apr • 31st May • 28th Jun
